Spring Term One Year 1

English

We are looking at poems and narrative.

We will be focusing on:

- Writing in short sentences using capital letters and full stops.
- Using finger spaces in our writing.
- Using Kinetic Letters.

We are reading…

Children will read every day in their phonics lessons. We will be developing our fluency and pace. In reading lessons, we will be developing our decoding, explaining, retrieving, and interpreting skills.
Children should read 3 times a week at home, and this should be recorded in their Homework logs each week. These will be checked in school on a Friday.

Maths

We will be looking at:

- Numbers to 20.
- Addition and Subtraction with 20.
- Numbers to 50.

Science

We will be:

- To name parts of the human body.
- To know the 5 senses.
- To know which body parts are used for each sense.
- To investigate how we use our senses.
- To understand how our senses help us navigate the world.

RE

We will be learning about who God is to the Jews?

We will be:

- Identifying a promise.
- Understanding that trust is important when making an agreement.
- Learning about how some important Jewish beliefs began.
- Retelling the story of how Judaism began.
- Learning about how Jews believe in one God.
- Discussing the Ten Commandments.
- Learning about the story of Abraham and Moses.

Geography

We will be exploring the UK.

- Knowing that England is part of the United Kingdom.
- Identifying and naming the four countries of the UK and their Flags.
- Exploring the four countries of the UK, looking at their flags, capital cities and national flowers.
- Understanding that the UK is an island surrounded by seas.
- Comparing the human and physical geography of the countries in the UK.

Art

We are creating collages.

- Looking at who Megan Coyle is and her work.
- Experiment with cutting and tearing a variety of materials.
- Exploring cool and warm colours.
- Look at overlapping and scrunching paper for effect.
- Create our own collage.

Music

We will be:

- Listening to songs and talking about them.
- Answering questions about the songs we are listening to.
- Learning how to warm up our voices ready to sing.
- Singing songs from a different genre.
- Performing our songs.

PSHCE

We will consider and discuss:

- What rules are and why they are important.
- How to join in.
- Ways to look after our local environment and school.
- Where money comes from and how to keep it safe.

Computing

We will be Digital writers.

We will:

- Use a computer to write.
- Add and remove text on a computer.
- Identify that the look of text can be changed on a computer.
- Explain why I used the tools that I chose.

PE

We will be:

- Maintain balance on a line.
- Maintain balance on a low beam.
- Maintain balance on one leg.
- Exploring body shapes.
- Exploring how music can change our movements.
- Creating shapes with a partner.
- Using counts of 8 to move in time.
- Exploring pathways in my dance.
- Create my own dance.
