Reminder-This Terms School Value

This term our school value is 'Responsibility' and we are introducing new school value challenges. This term is to share and celebrate ways in which you can show responsibility at home, at school, within your family and within the community. This could be making your bed, helping to set the table for dinner or litter picking in your local area. Send photographs on Seesaw to your class teacher and we can celebrate together all the ways we are responsible at Ashby Fields!

Whole School Attendance

This weeks whole school attendance is: 95.4%.
National attendance data is : 94.3%
meaning we are above national. Please
let's keep working together to get
Ashby Fields data way above national!

Year 5 Learning This Week

Last week Year 5 poured their hearts and minds into Design Technology. They immersed themselves in the creative process, designing and crafting their very own bird hides for a Lego family. Children have used a range of materials and equipment. Such as saws and glue guns to bring their visions to life. We are so proud of their final pieces. Well done Year 5!

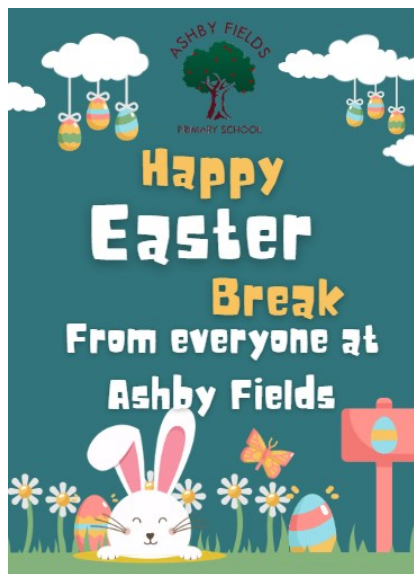

Year 5 Learning

This week we conclude the spring term, with saying good-bye to the chicks and Key Stage 2's Spring concert. On behalf of everyone at Ashby Fields we wish you and your family a wonderful Easter break. Thank you for your ongoing support for our wonderful school!

Wishing you a wonderful weekend and Easter break.
